2. **Background:** The budget of the National Endowment for the Arts (NEA) was cut in half during the 1990s. With its current funding of \$144.7 million, the NEA spends just 48 cents per American—about the cost of a pack of gum.

3. **Background:** Prior to the budget cuts of the 1990s, the NEA partnered with local arts agencies to re-grant funds in their communities, ensuring strong local input and control over artistic programming, especially in rural and underserved areas. 6. **Background:** Currently, art collectors can claim a fair market value tax deduction for works that they donate to cultural organizations, but artists can claim only the cost of materials when they donate work that they have created.

Strongly Agree Agree Disagree Undecided

Additional Comments (optional): **and I would introduce a bill that would require it**
