State: Maryland  
District: 8

1. **Question:** What arts activities have you attended, participated in, or supported in the last year?

Music     Theater     Visual Arts     Dance     Literary Arts     Other     None

Additional Comments (optional): **I am a firm believer in the necessity of the arts and especially arts education.**

2. **Background:** The budget of the National Endowment for the Arts (NEA) was cut in half during the 1990s. With its current funding of \$144.7 million, the NEA spends just 48 cents per American—about the cost of a pack of gum.

**Question:** Do you support a significant funding increase for the National Endowment for the Arts, so that arts organizations in your district can present more high quality arts programs for all of its citizens?

Strongly Agree     Agree     Disagree     Undecided

Additional Comments (optional): **I support reasonable funding increases for program maintenance and creation, targeted tax policy to incentivise public/private partnerships, Preference for targeting art education and development programs rather than large culturally controversial projects.**

3. **Background:** Prior to the budget cuts of the 1990s, the NEA partnered with local arts agencies to re-grant funds in their communities, ensuring strong local input and control over artistic programming, especially in rural and underserved areas. After the cuts, however, the re-granting partnership ended because of insufficient funds.

**Question:** Do you support dedicated funding for an NEA re-granting program for local arts agencies?

Strongly Agree     Agree     Disagree     Undecided

Additional Comments (optional): **I believe that this should be a primary focus of the NEA. NEA should play a role in regional culture and art and its preservation.**

4. **Background:** The *No Child Left Behind Act* (NCLB) defines the arts as a core academic subject, allowing school districts to use federal funding for arts education instruction. However, implementation of NCLB has dramatically reduced the time spent teaching the arts around the country and increased the need for federal-level research measuring the status and condition of the arts.

**Question:** Do you support strengthening arts education and research through the reauthorization of NCLB?

Strongly Agree     Agree     Disagree     Undecided

Additional Comments (optional): **Art and music education is paramount to the development of well rounded students. The language presented here is ambiguous. I am all for money going to students who are studying arts, but not on professional academics who are creating a myriad of never ending studies about people studying art.**

5. **Background:** The Corporation for Public Broadcasting, which has been level-funded at about \$400 million for several years, is a major provider of arts programming on public television and radio.

**Question:** Do you support increased funding for the Corporation for Public Broadcasting?

Strongly Agree     Agree     Disagree     Undecided

Additional Comments (optional): **I believe PBS and NPR provide a vital service, especially in certain rural areas where access to national and international programming is limited. I do believe that the biased, partisan direction of advocacy based programming is tainting the brand. A return to pure objectivity and balance would go a long way to garner my wholehearted support.**

6. **Background:** Currently, art collectors can claim a fair market value tax deduction for works that they donate to cultural organizations, but artists can claim only the cost of materials when they donate work that they have created.

**Question:** Do you support bipartisan legislation to correct this inequity and to ensure that museums, libraries, and other cultural organizations receive donations?

Strongly Agree     Agree     Disagree     Undecided
