Dear Arts Action Fund Member,

The U.S. Treasury and SBA just released the [final PPP Loan Forgiveness Application](#), which includes the changes made in the Paycheck Flexibility Act. SBA has also introduced a great EZ Forgiveness Application version as well as a full application version. This EZ form will make it much simpler to complete your forgiveness application form without doing complicated calculations.

Americans for the Arts and the Arts Action Fund have scheduled another [ArtsU free webinar for the first 1,000 registrants to take place on Monday, June 22 at 1:00pm ET](#) to provide you timely technical assistance in completing the final version of these PPP loan forgiveness applications. Please note that this newly released forgiveness application replaces the original form that SBA published on May 15.
