TIMELINE EXTENDED FOR OMNIBUS & COVID19 ECONOMIC RELIEF

Congress is passing a continuing resolution (CR) to avoid a government shutdown tomorrow and to give themselves another week to negotiate an agreement on **both the Omnibus FY21 federal funding package and a COVID-19 relief bill**. Highlights of the proposed Senate Bipartisan COVID Relief \$908 billion package can be found [here](#).

This timeline extension also gives *you* another week to make your voice heard for the arts with your members of Congress. Please take two minutes now to ensure Congress includes support for the arts and culture sector in the FY 2021 Omnibus funding and COVID-19 relief legislation by [sending an email to Congress](#).

FREE CARES ACT WEBINAR ON FRIDAY, DECEMBER 18, 2020 @ 1:30PM ET

As 2020 comes to a close, many of you have requested additional guidance on filing PPP Loan Forgiveness Forms and what the Income Tax Implications will be to organizations and individuals receiving CARES Act grants, loans, and unemployment compensation. **Sarah Mercer**, shareholder partner with our pro bono law firm of Brownstein Hyatt Farber Schreck, will join me once again on **Friday, December 18th at 1:30pm ET** to present a free webinar covering all of these topics. Additionally, if a new COVID-19 bill is passed by then, we'll also cover highlights of those new programs. [Be sure to be among the first 1,000 participants to register for free through our ArtsU portal.](#)
