PUBLIC INVESTMENT IN GRANTS TO NONPROFIT ARTS ORGANIZATIONS & ARTISTS

So how much is the federal government investing in the National Endowment for the Arts (NEA)?

Congress has proposed allocating $155 million to the NEA in FY 2019, which has been relatively level for the last several years. This amounts to just 47¢ per capita, yet the nonprofit arts industry generates over $13 billion in federal tax revenue back to the treasury. Imagine what nonprofit arts groups could generate with $1 per capita!

What about New Hampshire—how much does state government budget to the New Hampshire State Council on the Arts each year?

The state allocated $310,174 to the New Hampshire State Council on the Arts. In FY 2017, the Council also received $696,900 in federal NEA funds, which the Council re-granted to dozens of cultural organizations throughout the state. An additional nine nonprofit arts organizations received direct grants from the NEA totaling $190,000.
