**THE OHIO ARTS COUNCIL**—was created in 1965 to foster and encourage the development of the arts and assist the preservation of Ohio’s cultural heritage. With funds from the Ohio Legislature and the National Endowment for the Arts, the OAC provides financial assistance to artists and arts organizations. The Council accomplishes this charge in two primary methods; first, through the various grant funding programs that the Council operates to provide support to artists and to make arts activities available to a broad segment of Ohio’s public; and secondly, by providing services that help to enhance the growth of the arts.
