PUBLIC INVESTMENT IN GRANTS TO NONPROFIT ARTS ORGANIZATIONS & ARTISTS

Q: So how much is the federal government investing in the National Endowment for the Arts (NEA)?

A: Congress allocated $167.5 million to the NEA in FY 2021, which has been relatively level for the last several years. This amounts to just 51¢ per capita, yet the nonprofit arts industry generates over $13 billion in federal tax revenue back to the U.S. Treasury. Imagine what nonprofit arts groups could generate with $1 per capita.

Q: What about Iowa—how much does state government budget to the Iowa Arts Council each year?

A: In FY 20-21, the state allocated $2,823,436 to the Iowa Arts Council. The Iowa Arts Council also received $620,503 in federal NEA funds, which the Council granted to dozens of cultural organizations throughout the state. Another 15 nonprofit arts organizations received direct grants from the NEA totaling $687,937 so far this year.
