Washington is a universal vote by mail state, which means all pre-registered voters will automatically receive a ballot by mail in no later than Friday, October 21, 2022. If you don’t receive a ballot by mail automatically, it means there is an error in your current registration. Please contact your county election office to resolve the issue. Be proactive, double check the accuracy of your voter registration by Tuesday, September 20, 2022 before ballots are mailed out.

STEP 2
Receive Your Vote By Mail Ballot

VOTE BY MAIL BALLOTS: Return your mail ballot by official drop box or by mail, no stamp needed. Your ballot must be deposited or POSTMARKED by 8:00pm on Election Day, Tuesday, November 8, 2022, so that it is RECEIVED by mail no later than Monday, November 14, 2022. Check the status of your vote by mail ballot on the Vote WA website. Always be sure to bring your government ID with you. Don’t delay, pledge to return your completed Vote By Mail Ballot by Tuesday, October 18, 2022.
